

# Bead for Life Event

Saturday, December 1

10:00 am - 4:00 pm

St. Francis Spirituality Center

200 St. Francis Ave., Tiffin

Bead for Life is a unique poverty eradication project that builds economic and cultural bridges between impoverished Ugandans and concerned citizens worldwide. Ugandan women earn a living by creating beautiful jewelry made from recycled paper. These hardworking women are HIV+ or displaced by a brutal civil war in Northern Uganda. Before joining Bead for Life they were among the more than one billion people on this planet struggling to survive on less than a dollar a day.

**There will be unique earrings, bracelets and necklaces of all sizes and styles, Shea butter soap and Shea butter lip balm, jewelry bags and handbags and much more made by the women.**

*This event is sponsored by SpiritSpace Gallery and Gifts. All of the proceeds go to Bead for Life. To learn more, visit [www.BeadforLife.org](http://www.BeadforLife.org)*
